Media

Antioch Summer Interns that choose the media side will get to partake in ministry that is not only cutting edge but is being duplicated worldwide. Interns who value the arts and are gifted should be excited for an opportunity to intern with Antioch Media Staff.

Video: Interns will be involved with recording Sunday Sermons, announcement and promotional videos etc. Responsibilities include support with lighting, audio, logistics, on-set production support, post-production support, post-production scripting and editing.

Graphic Design: Interns will create graphic work for a wide range of uses throughout the church. This will include bulletins, sermon branding, posters, etc. This internship will give you a taste of the role graphics play in the church.

Photography: Interns will take photographs for a wide range of uses throughout the church. This will include webpage graphics, sermon branding, posters, etc.

Writing: Interns will have the opportunity to write articles in Antioch's quarterly magazine, Four Magazine as well as webpage information, bulletins, e-newsletter and blog articles.
