Missions

Summer interns will work alongside our local missions teams and organizations to bring food, shelter, and love to the community of Bend. Interns will also be on the ground floor as we partner with world organizations bring much needed justice and compassion to our world.

Local: Interns will have the opportunity to partner with us on a local scale as we strive to meet the three basic needs of humanity: food, shelter, love.

Global: Interns will have the opportunity to partner with us on a global scale as we strive to meet the three basic needs of humanity: food, shelter, love.

Anti-Trafficking: Interns will assist in researching human trafficking in order to educate people as well thinking of creative and unique ways to support people on the front line of human trafficking.

Kilns Bookstore and Coffeehouse: Interns will manage and maintain the Kilns Bookstore and Coffeehouse and have the opportunity to bring awareness to crises around the world and how simple purchases can make a difference.
