## Music & Worship

**Songwriting:** Sit in on group critiques and write for worship events, special music performances, Antioch's Intern Showcase, and the World Relief BEND film department.

**Composition/arranging:** Get training and experience at composing in a range of styles, score film projects for both Antioch and World Relief BEND, compose and arrange for the Antioch choir, write for Sunday morning special music performances, and develop your skills at receiving and providing artistic feedback.

**Worship Leading:** Gain hands-on skills for leading corporate worship, assimilate and train other leaders, and lead worship in one or more venues, including Sunday morning services at Antioch.

**Choir:** Get performance and/or conducting experience, vocal training, and a chance to compose or arrange for the forty-voice Antioch choir.

**Sound Tech:** Get involved in Sunday morning live audio, live visual arts, and any current recording projects and potential proposed recording projects; also assemble and lead teams of AV volunteers and produce Kilns concerts.
